

Sailing Club 2011-2012 Prospectus

Proposed Events

Estimated Cost

<p>Capri 22 Day Outings</p> <p>Experienced members in the club may register to charter Capri 22' keelboats out of Long Beach. These are small and agile keelboats that allow up to 6 sailors to enjoy a relaxing day out on the Harbor. There are half day events, and each boat costs \$109 + taxes & transport. We anticipate four of these trips a year.</p>	<p>4trips x 2boats x (109+taxes) \$1000</p>
<p>Small Boat Outings & Beach</p> <p>Using either the club's boats or by renting small 15' boats out of Alamitos Bay Long Beach, the club will be able to accommodate as many people on these trips as want to go. People may play and relax on the beach, as others take turns sailing around the calm protected bay. We anticipate 5 of these trips a year.</p>	<p>Storage @ \$60 /mo. X 10 mo. \$600</p>
<p>Sailing Class Subsidy</p> <p>The club would like to use a portion of its funds to subsidize the price of introductory sailing courses at UC Irvine. This is an integral part of the club's structure, allowing us to train new members and future leaders.</p>	<p>Subsidize 10-20 students \$20-\$40 \$400</p>
<p>Catalina Weekend</p> <p>This is the capstone trip of the year. The club will charter two larger sailing vessels and take 16 members on a 2 day adventure to the nearby Santa Catalina Island. We feel that this will help the, essentially new, Sailing Club gain some recognition amongst the students.</p>	<p>Charter Fee(\$300x 2 boats x 2 days) + Food+ Transport \$1600</p>
<p>Regular Boat Maintenance</p> <p>Boat maintenance is important to retain the value of the club's vessels.</p>	<p>\$100</p>

Santa Catalina Island Harbor at Sunset

Tentative Schedule: Sailing Club 2011-2012

Date	Event Title	Duration	# of People	Details
